### **SIG Members**

- Any person wishing to join a SIG can request an application form from either the chair of the SIG they wish to join, or by contacting the SIG Lead for an application form [UKSBA.SIGChair@gmail.com](mailto:UKSBA.SIGChair@gmail.com)
- SIG Members must be UK-SBA registrants unless a specific professional may be beneficial for that SIG, for example, a Headteacher in a SIG relating to schools, or a Neuro Psychologist in a SIG relating to brain injury. In this instance the SIG Chair would seek approval from the SIG Lead of allowing a non-UK-SBA member to join their SIG. There must be no more than 25% of the SIG made up of non-UK-SBA members.

- Non registrants joining the SIG must reside and work/practice in the UK
- SIG members must attend at least one SIG meeting per year to remain members of that SIG. Any SIG members that do not attend at least once per year will be from the database and any contact/ mailing lists regarding SIG activity. Should they wish to rejoin, they will need to follow the member application process

### **Conduct of SIG Members**

- Members may use phrases such as ‘member of [SIG name] SIG’
- SIG members should support and act in the interest of the UK-SBA on social media and other platforms
- SIG members should foster a respectful, productive, and inclusive environment for all members, treating all members with respect and dignity, regardless of their background, identity, or perspectives.
- SIG members should conduct themselves with professionalism at all times, maintaining appropriate boundaries between personal and professional matters.

- SIG members should obtain permission before sharing UK-SBA content or content that originates from group discussions or activities.

## Dealing with Problems

- If any SIG member has concerns regarding another SIG member's conduct during any SIG activity that does not uphold UK-SBA values and/or ethical standards, the member can raise this with the SIG Lead [UKSBA.SIGChair@gmail.com](mailto:UKSBA.SIGChair@gmail.com)
- The UK-SBA reserves the right to remove any SIG member who fails to uphold the UK-SBA values and ethical code in the conduct of SIG activities.
- If a member believes that another registered member has breached the ethical code, they may file a complaint through the UK-SBA's formal complaint process. The matter will then be handled in accordance with the relevant policies and procedures governing the complaint process.
